

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF OHIO
WESTERN DIVISION AT DAYTON**

UNITED STATES OF AMERICA

Plaintiff,

Case No. 3: 12 CR 081

-vs-

RICHARD TREPANIER

District Judge Thomas M. Rose

Defendants.

ENTRY AND ORDER

This matter came before the Court on April 3, 2013 pursuant to Defendant's motion in limine (doc. #38) filed April 2, 2013. The Court convened a hearing on this motion in limine as well as the Government's motion in limine (doc. #39) also filed April 2, 2013.

The Court has taken these motions under advisement, subject to in-camera examination of the subject matter sought to be limited and/or admitted.

The Court, however, based upon the representations of the Government that they do not intend to offer evidence of "marital rape, domestic violence, adult pornography, possession of ammunition and/or guns" finds that portion of Paragraph 5 of Defendant's Motion moot.

IT IS SO ORDERED.

THOMAS M. ROSE
UNITED STATES DISTRICT JUDGE
